

Safety Rules

1. The unsupervised use of the static machines is prohibited except with the permission of an instructor.
2. Operation of the goods hoist is prohibited.
3. Use of the workshop is prohibited unless an instructor is present.
4. Entry into other Splinter Workshop members' spaces is prohibited unless accompanied by an instructor.
5. Smoking and the consumption of alcohol on the premises is prohibited.
6. Any participant who appears to be under the influence of drugs or alcohol, such as would affect their safe conduct, will not be permitted to take part in the class.
7. Non slip, closed foot-ware must be worn at all times in the workshop.
8. Breathing protection must be worn whenever you are exposed to a dust producing process, for example sanding or operating a router.
9. Eye protection must be worn when using power tools or static machinery or handling hazardous substances including wood finishes and solvents.
10. Hearing and eye protection must be worn when using or observing the use of the static machines.
11. Gloves must be worn when handling hazardous substances including wood finishes, solvents and adhesives.
12. When using cutting tools by hand, for example chisels, never apply pressure to the tool towards any part of your body.
13. All hazards, incidents and injuries must be reported to an instructor.
14. All incidents and injuries must be documented in the Incident Log by an instructor.
